	Wide Angle on Endovaginal Probes
	Beta -View
	Patient Information database
	Image Archive on hard drive
	3D/4D data Compression(lossy/lossless)
	Real-time automatic Doppler Calcs
	Measurement & calculations including worksheets/Report for: OB-GYN, Vascular, Cardio, Abdominal, Small- Parts, Urology Pediatrics, Musculoskeletal, Neurology
Console Design	3Active Probe Port
	1 Parking Port
	Integrated HDD(160GB)
	3 USB Port For External Peripherals
	RJ45 LAN port
	1HDMI Out Port
	1 Audio out Port
User Interface	
Monitor	High-Resolution 23 Inch TFT LCD Screen
	Resolution 1280X1024
	Image Size 960X720
	High brightness & Contrast adjustment
	Brightness/Contrast/Dim Brightness Control
Operator Keyboard	Backlight Alphanumeric Keyboard
	Ergonomic Hardkey Layout
	Interactive Back -lighting
	Programmable prints/store/export key for printing, Archiving And Exporting
SYSTEM OVERVIEW	Tergantung Pada konfigurasi
Application(Optional)	Obtetrics
	Gynecology
	Abdominal
	Small-parts
	Vascular
	Pediatrics
	Cardiology
	Urology
	Musculoskeletal(MSK)
Imaging Processing And Presentation	Digital Beamformer
	335.127 System Processing Channel technology
	Minimum Depth of field : 0 - 1cm(Zoom, Probe dependent)
	Maximum Depth of field: 0 - 36cm(Probe dependent)
	Transmission Focus 1-5 Focus Points selectable(Probe and Application dependent)
	Focal Zone positions, up to 7 steps
	Continuous Dynamic Receive Focus/ Continuous Dynamic Receive Aperture
	256 Shade of gray
	16.8 Mio Clors 24bit
	Up to 261dB Processing Dynamic Range
	Image Reverse: right/left
	Rotation : 0, 180 derajat
Electrical Power	Voltage 100 -120Vac, 220-240VAC
	Frequency 50/60Hz
Dimension	Height : Adjustable Min 975mm(38.4in)
	Max 1725 mm (67.9in)
	Width 620 mm(24.4in)
	Depth 850 mm (33.4in)
	Weight (no peripherals) 198lb/90Kg
Input and outputs	HDMI Output
	Network(RJ45)
	External Audio out
	USB (2X In front, 1X In Rear)

	Ac Power Input
<p>Informasi Lainnya</p> <p>Garansi Training Sparepart Dan lain lain</p> <p>Catatan: Informasi lain diisi sesuai dengan produk anda sendiri Tidak semua kolom harus diisi, disesuaikan dengan produknya.</p>	<p>Probe Connector 3 active, 1 parking.</p> <p>: 2 Tahun : 3 hari kerja : Tersedia sampai 7 tahun alat dinyatakan diskontinyu :</p>
